A Message From Your Board President

Owners/Residents:

February has brought the beautiful South Florida weather we expect from our winters'. After a wetter than normal January we are enjoying warm temps and low humidity and plenty of sun.

Landscaping work at our front entry gate and behind our garage has been completed. We had inquiries from our neighbors about the changes and they are doing similar projects. The project has added great curb appeal both front and back. Again my thanks to all who made this happen.

We continue to gather information on the two design firms under consideration for developing a design plan for the common areas of our building. At this month's Board meeting we discussed what exactly are we trying to accomplish. I thought the word that best summed that up was "staying relevant". We all agree that The WaterGarden is uniquely positioned and many feel we have the best amenities among our neighbors. At the same time, there are many new buildings all around that invite comparisons. To me, the idea of relevancy has to do with maintaining our interesting and unique qualities. We anticipate sending out before and after pictures from each of the vendors so all can get a sense of their individual styles. We would like to have the firm chosen within the next couple of months.

As you are gathering information for and preparing your taxes, remember that we will be having our shredding event here on Saturday April 21st, so put aside all those old papers you have accumulated to get ready for April 21st.

Another reminder, our local election in Ft Lauderdale is March 13th. We will be electing a new Mayor, either Bruce Roberts or Dean Trantalis. Also to be decided is the City Commissioner to represent District 4. The candidates to fill that City Commission seat are Ben Sorenson and Warren Sturman. This election has significant impact as there is only one incumbent Commissioner, and we will have a new Mayor for the first time in nine years. Please take the time to vote.

Thank you,
Bruce Lane

Get ready to paint the town green!

On Saturday, March 10th, the Fort Lauderdale St. Patrick's Parade & Festival returns to the streets downtown featuring fun and excitement for the entire family!

This free event has quickly grown into one of Fort Lauderdale's largest and most anticipated festivals, attracting thousands of spectators for a one-of-a-kind celebration of all things Irish.

STONEMAN DOUGLAS **STRONG**

The Marjory Stoneman Douglas High School's website has suggested ways the public can help their school and staff to heal:

In lieu of gifts and individual notes, the school requests you send a laminated banner with your well wishes to be displayed on campus for the staff, students and community. Make a donation to their official GoFundMe page, [GoFundMe.com/stonemandouglasvictimsfund](https://www.gofundme.com/stonemandouglasvictimsfund).

If you would like to make an in-kind donation, please contact Lori Sessions at lori.sessions@browardschools.com.

Donate by mail. Make checks payable to Broward Education Foundation and write in the memo section "Stoneman Douglas Fund." The foundation's address is 600 SE Third Ave., First Floor, Fort Lauderdale, FL 33301.

Matching donations. On Sunday, all Florida locations of Duffy's Sports Grill will match donations given by guests to the Stoneman Douglas Victims' Fund, set up by the Broward Education Foundation.

Donate Blood. If you live in the area, you may be able to donate blood to help those being treated at Broward County hospitals. OneBlood, a Florida blood donation center, has put out a call for donors. It had an urgent need for O-negative blood. Pre-register online at www.OneBlood.org/donate-now. Enter the sponsor code: 34993. Each donor will receive two tickets to the city's water park and get a wellness check-up. Call 954-935-5272.

Buy a T-shirt. The Parkland PTA/PTO has organized a fundraiser selling T-shirts online. Proceeds will go to the victims' families, first responders and the Stoneman Douglas High School Memorial Fund. Call 833-472-7552.
