## A Message From Your Board Vice President

Dear WaterGarden Neighbors,

Sadly, last month we lost our Friend & Board President, Bruce Lane. He served our building with distinction, for 2 1/2 years. He will be sorely missed. During our most recent Board Meeting I was appointed to replace Bruce Lane as President and the board moved Marsha Zimberg to be Vice President. On May 8<sup>th</sup> the Board will appoint a new Secretary, from a group of applicants.

During our April Board Meeting, resident, Nilda Velez suggested we have a section in the Condo's Newsletter dedicated to topics about the WaterGarden, around the neighborhood and more... information contributed to each month's newsletter by the residents, for the residents. If you have something to share please email it to [office@watergardenlasolas.com](mailto:office@watergardenlasolas.com).

As most of you are aware, Hurricane Season is at our doorstep. Please look for the email-blast arriving shortly with explanations on The WaterGarden's Hurricane Season Policies and other tips to weather potential storms. This topic will also be discussed at the May Board Meeting.

Our Design Committee presented their top choice for a interior design firm, IDDI. The Board of Directors has contracted them to redesign/update some elements of our condominium. We anticipate a lot of input from our Residents. All input will be appreciated and should be emailed to [manager@watergardenlasolas.com](mailto:manager@watergardenlasolas.com). IDDI is comprised of some of the most creative minds in environmental design all contributing to our recognition as one of the premier leading design firms in the Retail & Hospitality industry.

We are heading into a season, where some residents are traveling to other homes and vacation spots. We will be posting links on the website, <http://fsrsouth.fsrconnect.com/watergarden>. So, all residents will be able see the progress happening here, wherever they find themselves around the world.

On that note, I know many of our residents are traveling to some exciting places so, please be safe, and enjoy every day.

Take Care,  
Fred Doyle

Dear Fellow WaterGarden Residents:

It is with our deepest sorrow that we inform you of the passing of our friend and Board President Bruce Lane.

Bruce contracted the flu on his return from his Antarctic vacation. Unfortunately, it developed into pneumonia. The doctors tried many different things to no avail.

Bruce loved The WaterGarden, its residents and staff. He will be sorely missed.

The WaterGarden Resident's have contributed to Bruce's Riverwalk Memorial Brick, that will be placed in just a few weeks.

Sincerely,

The WaterGarden Board of Directors.

## Road Closures

State Road A1A will be closed from just North of the Sunrise Blvd intersection to NE 19th Street on Saturday, May 6th and Sunday, May 7th from 6:00 am - 6:00 pm.

The Fort Lauderdale Police Department will be setting up a checkpoint at NE 19th Street and only local vehicle traffic will be permitted south of the checkpoint.

**Pedestrian traffic will be permitted for spectators to view the air show from the beach area from NE 16th Court to NE 19th Street.**

The intersection of Sunrise Blvd and State Road A1A will remain open to vehicle traffic throughout the weekend with no closings. Vehicle traffic will be heavy during the weekend of the event on May 6-7 so it is strongly advised to avoid this intersection while the air show is taking place.
